Dear <insert Board of Ed member's name>,

I am reaching out to you as a parent at Homestead Wakefield Elementary School. Did you know that our schools were built over 50 years ago and haven't had any renovations in almost 30 years? This directly impacts my son on a daily basis from his ability to play on a modern playground similar to others offered throughout the county to his feeling warm and dry in his classroom. Our students and community deserve better. We need you to help Homestead Wakefield be the top priority for a new facility. We need you to make this happen now as it's been far too long that this community has been left behind.

Sincerely,

Dear <insert Council member's name>,

I am reaching out to you as a parent at Homestead Wakefield Elementary School. Did you know that our school currently serves 1033 students and is at 114% capacity? My son's third grade class has 30 students alone. This is far too many students for our hard working and dedicated teachers to handle effectively. Our students and community deserve better. We need you to help Homestead Wakefield by making a fully funded HCPS a priority. We need you to make this happen now as it's been far too long this community has been left behind.

Sincerely,
